APPROVAL OF TARIFF REVISIONS) NG05-004

On May 5, 2005, the Public Utilities Commission (Commission) received an application from MidAmerican Energy Company (MidAmerican) requesting approval of a gas tariff sheet change. According to the filing, this revision eliminates the requirement for MidAmerican to inform the Commission of instances in which energy diversion is detected. The revised tariff sheet is as follows:

Second Revised Sheet No. 14 Canceling Sub First Revised Sheet No. 14

At its regularly scheduled meeting of June 14, 2005, the Commission considered approval of the application. Commission Staff recommended approval of the revision to the tariff sheet.

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-34A. The Commission finds the revision is just and reasonable and approves the revision. It is therefore

ORDERED, that the above-referenced tariff is approved and is effective on and after the date of this order.

Dated at Pierre, South Dakota, this 28th day of June, 2005.
